FUNDED IN ONLY 34 MINUTES!! BEST OF CES LAS VEGAS 2017

CORDS OF STEEL

Features:

Toughest

Our flexible stainless steel cord and zinc alloy charging heads are key features to our Tough Charging Cords.

Smartest

Designed with an Apple indicator on one side and an Android character on the other our cords are Smart enough to understand the ***difference*** between an Apple device and a Micro USB device.

Versatile

With its dual/reversible head design, our cords are Versatile enough to charge an Apple iPhone 5 and newer and many Micro USB Android cell phones as well as many other Apple and Micro USB Android devices.

2-n-1 Charging Head

With The Freedom Charger you will avoid the frustrations of dealing with inferior cords that waste your hard earned money!
The Freedom Charger will charge hundreds of devices from :

Android	WiFi Head Sets
iPhone	Go Pro Cameras
Drones	Charging Packs

Video Game Remotes

As well as any other device that uses Lightning or Micro USB!

Some compatible devices
